FOR RELEASE PRIOR TO
October 20, 2016

CARE LINKS VOLUNTEER OPEN HOUSE

Care Links of Southern Saratoga County recruits volunteers from the community and matches them with seniors who need non-medical assistance.

We invite anyone who is interested in learning more about this program to join us at a Volunteer Open House on Thursday, October 20th from 4 to 6 pm at the Clifton Park Halfmoon Library. Light refreshments will be served. To reserve your place, please call Care Links at 399-3262

During the Open House, current volunteers and care receivers will speak briefly about their experiences with the program. Carole Beauregard, Program Director, will describe the volunteer opportunities available through Care Links to help seniors in the Southern Saratoga County area. We have an immediate need for volunteer drivers, as transportation is a critical need for area seniors.

Last year over 300 seniors living in Ballston, Charlton, Clifton Park, Halfmoon, Malta and Mechanicville were assisted through Care Links, and the need continues to grow.

We are grateful for a generous donation from a community member which makes this Open House possible.
